REGISTRATION AT WWW.ICETA.SK

DEADLINES

- | | |
|--|--------------------|
| 1. Paper full version (min. 6 pages for reviewing process) | September 28, 2025 |
| 2. Notification about acceptance | October 15, 2025 |
| 3. Final paper (camera-ready paper, final format for publishing) | October 30, 2025 |
| 4. Last information and Final Program | October 30, 2025 |

CONFERENCE PAPERS

Preliminary registration through the conference web page at www.iceta.sk with possibility for uploading full text of the intended contribution within range of 6 pages prepared in the MS Word and published in PDF according to the instructions and IEEE template is expected by **September 28, 2025**.

Each contribution will be review by min. two international program committee members. The results or proposals for modification will be sent to authors at least until **October 15, 2025**. The **final paper** for preparation of conference proceedings has to be uploaded via conference webpage at least until **October 30, 2025**.

EXHIBITION

Manufacturers, providers, operators and start-upers of new educational applications and services will have a chance to exhibit their new products, services and equipment during an exhibition organized as a part of the conference. For more information about the exhibition please contact the conference secretariat (by e-mail/letter/phone).

VISA - IMPORTANT INFORMATION

The Organizing committee will not provide participants with an invitation letter on the official form of the alien police for the EU visa purposes. The reason is that such official form assumes organizer (elfa, Ltd.), as the inviting institution, to take all the responsibilities (even financial) for the invited participants. Due to safety reasons, elfa, Ltd. cannot keep such responsibilities for purposes of the ICETA 2024 conference. We ask the registered participants from non-EU countries with a visa obligation to take this limitation into account seriously.

CONFERENCE LANGUAGE

The official language of the conference is English. All the camera-ready papers should be submitted in English, and presentations should be made in English. No translation is provided.

CONFERENCE VENUE - THE HIGH TATRAS, SLOVAKIA

High Tatras - Vysoké Tatry, an area whose natural beauty makes it one of the most remarkable recreation areas not only in Slovakia but in all of Europe. Among other things, the High Tatras offer exceptionally clean air and a unique climate, leaving every visitor feeling better, especially those who take advantage of the many health spa treatments available. Hiking paths, ranging from gentle to highly demanding, wind among spectacular peaks and rock walls. A complete spectrum of Slovakia hotels and restaurants await guests whether they come looking for the beauty of the outdoors or for simple relaxation. The High Tatras environment also provides a special variety of sports and recreation facilities.

Grandhotel Starý Smokovec, whose history reaches already to the year 1904, is a four-star jewel of the High Tatras. Their heart - Starý Smokovec - with a background of the majestic Slavkovský Peak, is dominated by this romance of the last century and offers a comfortable basis for your unforgettable stay in the Tatras. Please yourself and let us to pamper you in this imposing and prestigious place. A combination of young and experienced staff enables us to connect the tradition of luxurious past with the expression of contemporary lifestyle so that you will have a reason more to visit us again.
